Cavendish Glen Shopping Centre and Intercare Glen Marais to host a food drive and fun day in aid of MES Kempton Park

Cavendish Glen and Intercare Glen Marais will host a family fun day and festive food drive on 17 November, in aid of MES Kempton Park. Members of the public are invited to partake in the day by contributing non-perishable items. The day will feature special entertainment and activities for everyone.

“As businesses from Cavendish Glen, we would like to give back to the community. We know MES Kempton Park is in urgent need of non-perishable items and therefore decided to make the organisation the beneficiary of our Food Drive this year,” says Ada Botes, Practice Manager at Intercare Glen Marais.

Botes encourages the Kempton Park community to support this special community drive. “Together we can make a difference in changing the heart of the inner city of Kempton Park. A trophy and exciting prizes will also be given to the business, school or individual, who manage to collect the most non-perishable items,” says Botes.

The Christian Motorcyclists Association of South Africa (CMASA) motorcycle club will be part of the food drive and will also have some of their motorcycles on display. One of the highlights for the day, will be a performance by Kyle – The Indian Boertjie

Other entertainment and activities for the day includes:

- Folk dancing
- An entertainment area for the kids – do not miss the face painting and clown!
- The Coco Cola Music Truck and dancers sponsored by Maxi’s
- The opportunity to donate blood
- Intercare will provide blood pressure and weight assessments (Free testing)
- Lancet will provide cholesterol and sugar level assessments (Free testing)
- Haasbroek Optometrist will be available for eye tests
- Kind 2 Hearing will provide hearing tests
- Make-up tips from Clicks

To add to festive celebrations on the day, Cavendish Glen will have discount vouchers available for the various shops at the shopping centre.

All non-perishable items can be donated on the day at the event. Alternatively, the items can also be dropped off at Checkers, Intercare or Lancet.
