

# MES GROW PROGRAMME

(God Restores Our World)

GROW is a job-and-life rehabilitation programme that creates shift opportunities where cash is earned for work done whilst being part of a coaching and developmental programme. It provides the homeless and unemployed community an alternative to aggressive begging and petty crime.

## GROW OFFERS

**Honest hard-earned cash enables participants to**

- Restore their dignity.
- Buy their own meals.
- Pay for their overnight shelter accommodation.
- Apply for their ID's .
- Save money.

## GROW TEACHES

- To be diligent and disciplined.
- To progress towards their exit through hard work.
- Skills that empower clients to find employment.

## SERVICES

**Participants have access to the following services**

- Social services and relief.
- Helpdesk.
- Spiritual counselling and discipleship.
- Resource centre for job hunting.
- Skills development programmes.
- Job placement support.

Job rehabilitation categories and types of services: regular workers are physically fit and able to work for four to eight hours per day. They typically work as street sweepers, weed removers, office cleaners or as casual members of furniture removal or gardening services teams. We operate within the Hillbrow area or wherever services are needed.

## HOW TO ACCESS OUR SERVICES

- Walk-in service.
- Referrals from other MES programmes.
- Weekly outreaches in the community.

## HOW TO GET INVOLVED

- Encourage homeless and unemployed people to join the programme.
- Sponsor a recruitment shift which provides the referred person with an immediate opportunity to participate.
- Sponsor or hire Grow teams and create job rehabilitation opportunities.
- Activate your heart and "**Change the Heart of the City!**".
