MES Johannesburg appreciate donors for partaking in #67minutesVirtualChallenge on Mandela Day

It was also a blessing to have various organisations and individuals who came to donate food, soup, clothes, toiletries, and other necessities as part of their Mandela Day activities.

Every year the 18th of July, South Africa and the global community commemorate the life and selfless spirit of Nelson Mandela by spending 67 minutes of their time by making a difference in the lives of the most vulnerable and disadvantaged communities.

For this reason, MES Johannesburg is grateful to all our new and old friends of MES, including University of Johannesburg, University of the Witwatersrand (WITS), Hyprop Foundation, Rosebank Mall, Panthera Media, Chefs with Compassion, SA-German Chamber of Commerce and Industry - AHK Südliches Afrika and Germany Trade & Invest for all the goods in kind donations received in participation of the #67minutesVirtualChallenge on Mandela Day 2020.

As part of the Mandela Day celebrations in this different year of Covid-19 pandemic, MES Johannesburg in partnership with our donor Hyprop Investments held a fundraising pop-up at the Rosebank Mall to raise funds for the severely affected clients at Ekhaya and Impilo shelters for men and women respectively.

With the help of our Joshuas Youth Servant Leadership who brought energy through their flash mob performances, the team was able to sell shelter and meal vouchers to many patronages of the centre.

We appreciate all the donors who made this Mandela Day a successful one despite the current pandemic. MES is able to make a difference in the life of our clients because of your ongoing support and help.

THANK YOU FOR YOUR GENEROUS DONATIONS
