ISSUED ON 19 OCTOBER 2020 WITHOUT EMBARGO

### TEE-OFF WITH MES KEMPTON PARK ON 27 NOVEMBER AND HELP RAISE FUNDS FOR AFTER SCHOOL PROGRAMME

#### MES KEMPTON PARK, 19 OCTOBER 2020

Mould Empower Serve (MES) Kempton Park will be hosting its annual Charity Golf Day at the ERPM Golf Club in Boksburg on 27 November 2020. Patrons and donors are invited to be a part of the day to help raise funds for the Kempton Park branch after school programme. The cost per four ball is R1600, or sponsor a hole from R800 to R1600.

"It is a privilege to be able to finally host this event, as it had been postponed due to Covid-19 regulations. What is even more exciting is that this year our Kempton Park branch celebrates its 10<sup>th</sup> anniversary, so to be able to connect with our donors and supporters in this way is very special," says MES Kempton Park branch manager, Helena van Blerk.

The MES Kempton Park branch was opened on 1 August 2010, after a group of concerned members of the community came together to address the increasing problem of homelessness and poverty in the inner city. "The impact that the branch has made so far is evident in the number of lives changed and the real stories that continue to be told by the people who have found help and a home at MES Kempton Park," adds Leona Pienaar, CEO of MES.

The range of programmes offered by the branch has grown from the initial overnight shelter and food relief programme to include an after school programme (ASP) for the inner-city learners, a job and life rehabilitation programme for adults, and a variety of spiritual enrichment initiatives.

"I would like to encourage everyone in Kempton Park to get involved; whether it is playing or sponsoring a hole or sponsoring a prize or sharing this invite far and wide! Your contribution will make a definite impact as proceeds will go towards the development of our new ASP facility," adds van Blerk.

MES has recently acquired these premises, and have set plans to expand their after school programme as an urgent priority. This expansion will mean the children will have a bigger space for their playground, their own ablution facilities and a place they can call their own. Events such as the annual Charity Golf Day play an integral role in providing financial support for the various outreach programmes and social relief services that MES offers to Kempton Park's homeless and unemployed community.

The cost per fourball is R1 600, which includes halfway house and dinner. It costs between R800 and R1 600 to sponsor a hole. Tee-off will be from noon. To book, call Aloma Swanepoel, Helena Van Blerk or Luwanda Conco on 011 024 4580 or email [kempton@mes.org.za](mailto:kempton@mes.org.za).

afternoons as their parent's work or cannot afford the after-school facilities at the schools. Drugs and crime are pitfalls these young people often fall into because of unstable home environments. Currently there are not many opportunities for after-school care in the inner city and this poses a real threat to the safety and development of the children/youth growing up in the inner city environment. Our facility can accommodate up to 18 children per day. A healthy body houses a healthy mind. Nutrition is a key activity of utmost importance in our after school programmes and a meal is also served to each child that attends.

## 2. HISTORICAL FACTS

**Fact 1: MES Kempton Park opened its doors on 1 August 2010. Where did it all started?**

In 2009 a group of concerned members of the Kempton Park community came together to form a forum to address the increasing problem of homelessness and poverty in the inner city of Kempton Park. This forum consisted of representatives from local NGO's, businesses, churches and the SAPD. The forum identified an urgent need for an overnight shelter and the continuation of social relief as a means to address the pressing needs of the homeless community. The forum approached MES Johannesburg for assistance with their intervention plans due to the experience MES has in working with the homeless community
