

# NEEDS LIST

## Mould Empower Serve (MES) Kempton Park

### Food Parcels

There is currently a great need for organisations, such as MES Kempton Park, to support families or individuals, with food parcels. As a non-profit organisation, we always try to assist, where possible, and if donations allow.

You can also contribute to poverty relief in the inner city of Kempton Park, by donating the following: *mealie meal, rice, brown sugar, tin food, pasta, soya mince, cooking oil, tea bags, peanut butter, lentils/split peas/kidney beans/white beans.*

**CONTACT:** 011 024 4580 / [kempton@mes.org.za](mailto:kempton@mes.org.za) for more information

## WE ALSO NEED YOUR HELP WITH

### Maintenance

Our **buildings' gutters** need to be replaced.  
**Estimated costs to replace:** R 20 000

### Painting of building's roof

**Roof Paint:** 40 litres - **Water sealer:** 5 litres

**Membrane Rolls:** 5

**Roof screws** - packet of 20 and

**Paint brushes:** 2

**Pest Control** - This remains a challenge and has now become part of our monthly expenses. **Monthly cost:** R 1300

Donate washing powder or hand sanitizer

With the looming possibility of a 3rd Covid-19 wave and considering the fact that we are providing shelter to 40 males, keeping the shelter clean and disinfected is a big responsibility. You can help us achieve this by donating **hand sanitizer** and / or **washing powder** for their laundry. We are also in need of **equipment** that will assist us in **sanitising** the complete **shelter** building.

## FUTURE INITIATIVES: Expansion and improvement of our premises

It is a new season for MES Kempton Park. We are dreaming of expanding our premises and as a first phase, we have already purchased the premises where we operate from.

### HELP US TO SETTLE OUR BOND

You can make a difference to our expansion plans in the inner-city, by supporting us financially. **We do provide 18 A tax certificates.** For more information about

monthly donations, please get in contact with us. **Once we have managed to settle our bond**, we are planning to build a new dormitory for 60 people as well as a dining and recreational area.
