The MES Kempton Park Recycling Project forms part of the GROW (God Restores our World) job and life skills rehabilitation programme, enabling the branch to create a sustainable income for its programmes. Only shelter clients take part in our recycling programme, for which they are paid a stipend, which helps them to cover their shelter fees.

Where can I drop-off my recyclable material?

- NG Kempton-Kruin and Kaleideo Church in Fiskaal Street
- Gateway Presbyterian Church in Dann Road
- NG Hoogland in De Wiekus Road
- MES Kempton Park – 6 Kempton Road
