

# NEEDS LIST

## Mould Empower Serve (MES) Kempton Park

### ITEMS WITH HIGH PRIORITY

#### 1. Maintenance

Our **buildings' gutters** need to be replaced.

**Estimated costs to replace:** R 20 000

#### 2. Heavy duty steel lockers (1 door)

With the shelter expansion, we now have a need for 36 units of one door heavy duty lockers. Each locker is allocated to an individual to be used for safely storing their belongings. Providing each shelter client with a locker is part of our efforts of restoring dignity.

#### 3. Drug Tests - One of the rules of our shelter is that we do not permit individuals under the influence of drugs or alcohol to stay on our premises.

Drug test kits assists us to ensure that we keep our shelter drug free and safe for all. On average of 10 drug test kits are used monthly which costs +-R900 per month.

#### 4. Outdoor furniture

We would like to set up outdoor furniture for our clients, which is inclusive of tables and chairs. The ideal furniture should be easy to clean and maintain. To accommodate 50 clients, it will cost R58 125.

## YOU CAN ALSO SUPPORT US WITH

### FUTURE INITIATIVE: Container City Roof project

It is a new season for MES Kempton Park. We have expanded our shelter facilities by adding 3x 12 meter container with capacity to accommodate 36 people and we have also renovated and expanded our ablution facilities to accommodate the new numbers. Now we have plans to erect a roof over the containers which will be used as a recreational/ dining area and also as a place of gathering for shelter outreach services. This project is estimated to cost R179 096.01. **For more information, please contact: 011 024 4580/ kemton@mes.org.za**
